Rev. N. C. Buren, president of the Third Episcopal district, has been one of the most successful preachers that have had charge of that part of the church work. Rev. Buren is a logical and impressive speaker. Success has attended his work, he believing in seeing his membership grow every quarter. His chief aim is the church, that is, more miles to travel than any other district. He sees to administer, and preaches to their congregation every three months. His members and ministers love to hear him. May God continue his blessing on him. The conference at Poplar Bluff next Wednesday will report progress to the and to our good bishop, G.

Rev. W. C. Williams, pastor of St. James church, is one of the most successful pastors in the Missouri conference. He entered the conference in 1898 and has held some very important charges. He was appointed to St. James church when there was no building, but in one year he succeeded in building a church and getting the membership together, and reported to the last conference with only \$1,500 in debt. He reported progress and plans to the conference that if his plans were not interfered with by the good bishop, C. T. Schaffer, he would try and report further progress. He goes to conference this year and reports the indebtedness of \$1,500 has been paid, and \$60 in treasury with a steady increase of membership. With the steady Christian work, under God, St. James will be one of the grandest and most progressive churches in the Missouri conference.

Uncle Tom's Cabin

CRAWFORD'S THEATER.

Leading in popularity, all of the great American dramas that have been produced, is the play of Uncle Tom's Cabin, a dramatization of Mrs. Harriet Beecher Stowe's work of that title, which was first produced at the Troy Museum, New York, where it had a successful run of over two months. In January, 1853, it was brought out at the National theater, on Chatham street, New York. Its success was phenomenal, and far beyond the most sanguine expectations of the management, and for a period of three years that theater was crowded to its utmost capacity, with sympathetic and appreciative audiences.

It was also played at the Chestnut Street theater, Philadelphia, for over one year, to crowded and enthusiastic houses every night. In the fall of the year 1854, it was brought out at the Metropolitan theater, Detroit, Mich., and at McVicker's Chicago theater in December, 1858, where it had a run of eight months, to an immense business.

It is without doubt, the best American drama ever written, and holds a place in the heart of every American. This great drama, at Niblo's Garden, New York, in 1879, proved the crowning success of the year. For nearly twelve months, thousands were turned away nightly, unable to get admittance, and the card, "Standing Room Only," met the view of the late comer.

Its success having proved so great throughout this country, induced an enterprising manager to venture on its presentation in England. It was produced in London, where it took the citizens of the world's metropolis by storm, and continued to be the popular dramatic attraction for a long season. From London, it was taken to all the principal cities and towns in England, Scotland, Ireland and Wales, and in all places it received the hearty approval of the people.

At W. Martin will present this drama in all its old-time beauty at the Crawford theater, Fourteenth and Locust, week, October 2, daily matinees, with a company of sixty people and the most lavish scenic equipment the old play has ever been provided with. Mr. Martin's company plays St. Louis every year, and last season was at the Imperial theater and hundreds were turned away.

ANTIOCH CHURCH NOTES.

Mrs. J. H. Kennett, of Hannibal, Mo., is a World's fair visitor, and is being entertained by her friend, Mrs. M. F. Slaughter, of 3119 Lamblin avenue. Friends are requested to call.

A very nice programme was rendered Sunday at the B. Y. P. U. meeting, also a lecture to the young people by Mrs. J. McClain, of St. Paul A. M. E. church. Sunday, October 2, Attorney J. C. Smith will address the union meeting at 6 p. m.

The ladies' N. D. S. club were very pleasantly entertained, Thursday, 22d, by Mrs. Wilson, at 2826 Adams street. Rev. L. G. Jordan, D. D., preached an instructive and spiritual sermon at 11 a. m., from 51 Psalms and 12 verse.

At 8 p. m. the doctor spoke from 18th and 19th verses of 28th chapter of Matthew. He also spoke of the need of money to help spread the Gospel in the dark land of Africa. At the close of his sermon an appeal was made and \$15 was taken up for foreign mission.

Sunday, September 25, the missionary circle met in a call meeting, at 1 p. m. After some business was transacted, Rev. L. G. Jordan, of Louisville, Ky., was introduced, and made some very encouraging remarks, at the close of which he asked the circle to buy one of the books he has written. Title, "Up the Ladder in Missions." The circle purchased a book and presented it to their president, Mrs. Mary A. Lawrence. Mrs. Lawrence, in a few words, thanked the circle for their kindness, and told them she would try and show by her earnest work with them how she appreciated their present.

One of the strange things is the little Negro democratic paper that was indorced at the request of one Wm. Farmer, is now criticising the order for some supposed non-entrenchment. This is the little fellow that we baptized as Petticoat Logan.

Seven aldermen and former aldermen of Buffalo, N. Y., have been indicted on the charge of bribery.

OTES.

Our entire building is now utilized by the association to serve any man in any way we can. Our well-furnished dormitory department answers one of the greatest problems of the young man away from home. We have a few rooms yet, to rent at a reasonable figure. The Literary society holds interesting sessions every Tuesday evening. For the present it will be welcomed to these meetings. The association aims to serve the churches in any possible way it can. With that end in view two Bible classes have been organized; one to study the Life of Christ, the other one a course in studies in Faith and Conduct. Any man is invited to join one of these classes. See the general secretary about them.

The nature of any people is a great extent rests with its young men. It is easier to form than to reform. Help us to save the young men of our city. A donation may be sent or the secretary will call to see you. The association needs your assistance to-day.

Another Common Negro From Hot Springs.

Some days ago on Chestnut street, a few ladies were holding a conversation about the events occurring in our city. One of them during the conversation spoke in very complimentary terms of The Palladium and its manager, when all at once this dignified (?) lady said she knew he (the manager) was not all that he pretended to be.

The manager wouldn't like to express his opinion concerning her. It would never do for the truth to be published. "People who live in glass houses ought not to throw stones."

She is a member of the same order as the manager, but if she does not refrain from her unjust criticisms, she may hear something to her detriment.

Prof. DuBois at Last.

Prof. W. E. B. Du Bois, having entirely recovered his health during his vacation, will deliver his famous lecture, "The Development of a People," at Douglass hall, Beaumont street and Lawton avenue, Monday evening, October 3.

Prof. Du Bois, who comes here under the auspices of the Lyceum Sketch club, is acknowledged to be the foremost writer and lecturer of the race in America.

His new lecture, "The Development of a People," is said to be the most powerful and exhaustive interpretation of the race problem ever presented.

At the conclusion of the lecture, Prof. Du Bois will hold an informal reception, after which the floor will be given over to dancing, for the first time since the hall was closed for the summer season.

Notice.

All persons who have subscribed for The Palladium from Mrs. Mary A. Lawrence may expect her around to collect in the next few days. So please be ready for her.
